

Global 361 Pte Ltd

Business Consulting

2021

Global 361 Consulting is an independent global business advisory firm dedicated to helping organizations manage change, mitigate risk and resolve disputes: financial, legal, operational, political & regulatory, reputational and transactional.

Definitive expertise

Our professionals are experts, with extensive, practical experience in applying that expertise to generate a decisive impact.

A culture that delivers

Our culture and working style reflect a bias for the tangible and a tenacity for solutions that make a meaningful difference.

Comprehensive services

Our practices, as standalone offerings and as comprehensive solutions, address the many interconnected issues our clients face.

Industry experience

Our industry groups are staffed with seasoned practitioners who possess many years of hands-on management and operational experience in 16 industries.

Five segments, one purpose

Corporate Finance & Restructuring

Technology

Global 361 Consulting is organized into five segments, each of which is a global leader in its own right for one simple reason: our commitment to having a tangible, positive impact on how our clients confront and manage change, risk and disputes.
